**Bus Tour – The Battles of Stone Arabia and Klock's Field, 1780**

The Stone Arabia and Klock's Field Battles that took place on October 19, 1780, are the sites where fighting combat took place between the British and the American forces. This is an in-depth, never done before tour of the Stone Arabia and Klock's Battlefield Historic Sites. This detailed tour of the Stone Arabia Battlefield will follow the avenues of approach, view battle areas, visit the historic churches burned in battle, and the sites of Forts Kayser & Paris, several farms that were burned. We will stop at the Palatine Church that was spared the torch. Similar stops are also planned for Klock's Battlefield. A lunch stop will be included.
